Lr.No.CFR/Nomination of Examiners/2024

Dated: 06.09.2024

CIRCULAR

Sub.: Indian and Foreign Examiners – certain information – reg.,

The Centre for Research has recently witnessed several issues related to the non-alignment of examiner's field of research with respect to the topic of research conducted by the scholars. Many a times, the Supervisors are requested to provide an alternate panel which indirectly costs the research time of the scholars.

Nominating an appropriate examiner for the evaluation of the thesis is the responsibility of the Supervisor and the Doctoral Committee members. Hence, while nominating the examiners, the Supervisors should ensure that the examiners have enough expertise to evaluate the thesis and prepare the final list for submission to the Centre.

Supervisors are requested to read the instructions carefully before filling up the Examiner details. Selection of Indian examiners shall meet the Criteria specified in Clause 16.6 of Ph.D. regulations amended on 08.08.2024. **Supervisors should refrain from nominating Examiners from Affiliated colleges of Anna University (Parent University).**

Further to ensure authenticity of the proposed examiners and to know their suitability, the following additional informations are requested while submitting data to CFR with immediate effect.

1. **Scopus Author ID**
2. **URL of the Examiner's Official webpage** in the institute website is requested.
3. The **official email ID** of the examiner shall be given for primary communication. Personal email IDs shall be given as alternate email.
4. The Supervisors should prepare and submit a list of at least 10 publications which closely matches with the research conducted by the scholar. This is in addition to the last 5 years publication details. The prepared list should be duly attested by the Supervisor and the Doctoral Committee members.
